

Amazing Grace

To find the player with the ball.

ENERGY

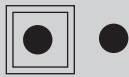

COMPLEXITY

GROUPING

LOCATION

Materials

- three small balls

Preparing

- Select one person to be Amazing Grace. He or she should stand in front of the group.
- The rest of the group should arrange themselves in a random pattern throughout the play area, but not too far from Amazing Grace.

Doing

- Have Grace stand with her back to the group. Give him or her three balls.
- Invite Grace to throw three balls, one at a time, over her head, backwards.
- The other players try to get the balls as they are thrown. Players who get balls must hide them behind their backs. All players should put their hands behind their backs to be tricky.
- Grace turns around and has three guesses to find a player with a ball.
- Choose a new Grace and play again.
