

The Daily Tone Idioms

Keep an eye out.

- ### Performance Ideas
- Have students pretend they are on a ship. What should they keep an eye out for? Rocks, sharks, other pirate ships?

GR•U PING

Interpretation:

The phrase keep an eye out for means to watch closely for something.

Example:

I am waiting for a package. Will you **keep an eye out** for the mail man?

A lightbulb with radiating lines above a stick figure with an open mouth and one hand pointing up.
